Celebrating 22 Women with *Moxie* for National Women's History Month 2023

On exhibit at the Glen Park Branch of the San Francisco Public Library

March 1 to March 31, 2023

2825 Diamond Street (between Chenery and Bosworth Streets)

The district of Glen Park has a rich legacy of historic women who strove to make a difference in their local communities and beyond. From civil rights to suffragism, activism, and environmentalism, for over 120 years Glen Park women have been elevating *moxie* to new heights, like no other neighborhood in San Francisco.
